

# Residential High-Efficiency Rebate Program

## Mail-in application form

Spire offers residential customers rebates to help make upgrading to more energy-efficient equipment easier. Follow the steps in this rebate application to start saving energy and money now and for years to come.

We offer rebates on high-efficiency equipment and insulation installed in living spaces only.

To qualify for a rebate, your equipment/insulation must meet the following specifications:

Water heating rebates			Combined space and water heating systems rebates		
Equipment	Rated	Rebate*	Equipment	Rated	Rebate*
Gas tankless (less than 2 gallons)	0.80 UEF or higher	\$300	High-efficiency boiler with side-arm tank	90% AFUE or greater	\$450
Gas storage (20–55 gallons)	0.64 UEF or higher	\$200	Heating/water heating (tankless) boiler	90% AFUE or greater	\$450
Gas storage (55–100 gallons)	0.76 UEF or higher	\$350			

  

Central heating rebates			Insulation rebates		
Equipment	Rated	Rebate*	Equipment	Rated	Rebate*
Programmable set back thermostat	7 day programmable (5+2 or 5-1-1)	\$25 or 50% of the equipment cost, whichever is lower	Insulation	Greater than or equal to R38 (Ceiling/Attic and/or Floor)	\$.40/Sq Ft up to \$750
Smart thermostat	Smart Thermostat (Wi-Fi enabled)	\$75			
Gas furnace	96% AFUE or greater	\$300			
Gas furnace	92% to 95.99% AFUE	\$200			
Gas boiler	90% AFUE or greater	\$300			

AFUE = Annual Fuel Utilization Efficiency  
UEF = Uniform Energy Factor

### Guidelines for your rebate

To better serve all our customers, only qualifying equipment installed in a residence with an active Spire account by a licensed HVAC or plumbing contractor will be eligible. **Self-installs are prohibited** from receiving a rebate under the program except for programmable/Wi-Fi enabled/smart thermostats.

### How it works and what you'll need to apply

- Your active 10-digit Spire account number
- Purchase and install qualifying equipment (see above list)
- Receipts and/or contractor invoices to document manufacturer, full model no., price, date of purchase and installation date, and verification that the equipment was installed at the account address
- Apply online at [www.SpireEnergy.com/rebates](http://www.SpireEnergy.com/rebates) and select Save energy and money or complete and mail in the application
- If you submitted a complete application and it has been approved, you'll receive your rebate in about 6 to 8 weeks
- Rebate provided on a Spire Prepaid Mastercard®

Get your reward faster when you submit online at [www.SpireEnergy.com/rebates](http://www.SpireEnergy.com/rebates) within the valid offer dates. It's easy — and you won't need a stamp.

### Terms and conditions

- Eligible equipment must be purchased and installed in a residence with an active Spire Account.
- Insulation improvements must include an increase in the attic/ceiling and/or floor level to a minimum of R-38. **Insulation rebates apply only to retrofits, not new builds.**
- Installing contractors are eligible to receive the rebate under the program with a customer signed **Rebate Reassignment Section**.
- Water heaters must be rated with a Uniform Energy Factor (UEF).
- Programmable setback thermostats qualify if they feature four (4) pre-programmed settings for 7 day, 5+2, or 5-1-1-day programming capability.
- Energy Star Certified Wi-Fi enabled smart thermostat.
- Rebates cannot exceed the final purchase price or out-of-pocket cost.
- A rebate for eligible equipment can be obtained up to one year after the purchase and installation if the applicant still owns and/or occupies the residence where the eligible equipment was installed and has an active Spire account.
- **Rebate Limit:** Individual dwelling units, as determined by account number, whether owner-occupied or rental property, are eligible for a maximum of two heating system rebates (furnace/boiler), two water heater rebates, or two combination unit rebates and two thermostat rebates under this program. Owners of multiple individually metered dwelling units may receive rebates for all qualifying natural gas energy efficiency equipment, subject to program funding availability. The program runs from October 1st through September 30th.
- **Valid Installations:** Rebate applicable to installations only performed by licensed HVAC or plumbing contractors certified to install natural gas furnaces or water heaters in your county. *Self-installs are prohibited from receiving a rebate under the program except for programmable/Wi-Fi enabled/smart thermostats.*
- **\*Rebate Reward:** Prepaid card is issued by MetaBank®, Member FDIC, pursuant to license by Mastercard International Incorporated. Mastercard is a registered trademark, and the circles design is a trademark of Mastercard International Incorporated. No cash access or recurring payments. Card valid for up to 6 months; unused funds will forfeit after the valid through date. Card terms and conditions apply, see [MyPrepaidCenter.com/site/Mastercard-promo](http://MyPrepaidCenter.com/site/Mastercard-promo). A replacement check for the full card value can be requested by calling the toll-free number on the back of the card.

**Additional Terms:** This rebate is available to all Spire residential customers. It is subject to the terms and conditions of the program and can change or terminate without prior notice. Funding is limited. Funding is administered by Simple Energy and provided to Spire customers in cooperation with the Missouri Public Service Commission, the Office of the Public Counsel, and the Missouri Department of Natural Resources/Division of Energy. Spire reserves the right to conduct field inspections to verify installations. Spire does not guarantee the performance of installed equipment expressly or implicitly. Any concern regarding installation should be directed to your installer. The customer agrees that Spire has no liability whatsoever concerning the quality, safety, and/or installation of the products or measures resulting from the application for rebate. The customer agrees to waive all claims against Spire and its affiliates, directors, officers, employees or agents, arising out of activities conducted by or on behalf of Spire in connection with applications for any rebate(s) under the Residential high Efficiency Rebate Program.
